

Simplicity is an "act of pure and simple charity, which has only one end, namely, that of pleasing God; and our soul is simple, when we have no other pretension in whatever we do". Saint Francis de Sales

The vow of vocationist: PRO EIS

In this congregation, besides the three vows of poverty, chastity and obedience, a fourth vow of **vocationist** is added.

By this vow, a commitment is made to offer one's life, works and sacrifices for the sanctification of priests.

IN THE HEART OF MARY: IN CORDE MATRIS

Such offering shall be lived in the Sorrowful and Immaculate Heart of Mary. For this reason the motto of this congregation is PRO EIS IN CORDE MATRIS (For them, the priests, in the Heart of Mary).

WITH JOY: SAINT FRANCIS DE SALES

Her consecrated life will be animated by the practice of virtues, according to the doctrine of San Francis de Sales

"Dear daughter, live joyfully; God loves you and will give you the grace to love Him; that is the supreme joy of the soul in this life and in eternity". (Letters)

HANDMAIDS OF JESUS, HIGH PRIEST AND OF THE HEART OF MARY

This Congregation of the contemplative life welcomes young ladies who wish to consecrate themselves to God and offer themselves for the sanctification of priests and consecrated souls.

What does a handmaid of Jesus, High Priest and of the Heart of Mary do?

The occupation of her life is to seek the glory of God and her own sanctification. How? Through imitating Jesus and Mary in the practice of virtues, in particular:

CHARITY

Charity should be the essential virtue of all the members of the congregation, since "the charity of God is poured forth in our hearts, by the Holy Ghost." (Rom. 5,5)

PRAYER

A life of prayer is the spiritual nourishment of all the hours of the day and by which the soul unites with her Divine Spouse.

SILENCE

Exterior and interior silence disposes the soul to union with God.

In order that the bow is not always tensed, two daily joyful and relaxing recreations help to maintain, with greater fervour, the offering of self.

HUMILITY

As Saint Francis de Sales says: "They will strive to have a sweet and gentle humility of heart that makes them accept with joy all kinds of sufferings and humiliations as one who is deserving of nothing else."

IMMOLATION

Her ideal is to live constantly uniting her will to God's Will as is manifested through the constitutions, her superiors and Divine Providence.

SIMPLICITY

Imitating the Blessed Virgin in her daily duties, her life is simple and without great austerities.
