"Some people are so foolish that they think they can go through life without the help of the Blessed Mother. Love the Madonna and pray the Rosary, for her Rosary is the weapon against the evils of the world today. All graces given by God pass through the Blessed Mother."

The Society of St. Pius X is an international priestly society of common life without vows, whose purpose is the priesthood and all that which pertains to it.

Since its foundation by Archbishop Marcel Lefebvre in 1970, the Society has formed priests according to the immemorial teachings of the Catholic Church. By offering the Holy Sacrifice of the Mass in the traditional Latin rite and administering the sacraments according to the traditional rites in vigour in 1962 (before the Second Vatican Council 1962-5), the Society's priests perpetuate what the Church has taught and done throughout its history. By the exercise of the teaching office of its priests, the Society fights against the errors that presently afflict the Church.
