Pater Superni Luminis

Father of lights! one glance of Thine,
Whose eyes the universe control,
Fills Magdalene with holy love,
And melts the ice within her soul.

Her precious ointment forth she brings
Upon those sacred feet to pour;
She washes them with burning tears,
And with her hair she wipes them o'er.

Impassioned, to the Cross she clings,
Nor fears beside the tomb to stay;
Nor dreads the soldiers' savage mien,
For love has cast all fear away.

O Christ, Thou very Love itself!
Blest hope of man, through Thee forgiven!
So touch our spirits from above,
So purify our souls for heaven.

To God, the Father, and the Son,
And Holy Paraclete, with Thee,
As evermore hath been before,
Be glory through eternity.
