

SECOND VATICAN COUNCIL – V II – THE RELIGION OF MAN by Fr. Alvaro Calderón

V II	I NATURE of V II	(≈ Plant) (≈ Roots) (≈ Fruits)	A DEFINITION B CAUSES C PROPERTIES	- Officialisation - of a humanism - pseudo-Catholicised Final Material Efficient Formal Optimism Novelty	V II is the adoption by the official Church of a centuries-old glorification of man, but decked out in Catholic trappings. V II's purpose was to give dignity to man through a rescue of the old humanism by the Church hierarchy, but turned to man so as to form a brand-new "Catholicism." For indeed everything modern is admirable so everything Catholic needs to be renewed.
	II NEW MAN (≈ Bricks of V II)	Principle Applications Result	A FREEDOM { B SUBJECTIVISM C CONSCIENCE D GRACE E CONCLUSION	Humanistic Conciliar - Truth in mind - Right in will - Nature as a whole Old humanism Plus baubles	Now the old humanists all hated authority So V II will glorify man's autonomy. Thus truth can only be known subjectively, right and wrong are perceived from within, and grace is to be subordinated to nature. In brief, V II is merely the old humanism, decorated however with Catholic ornaments.
	III NEWCHURCH (≈ Walls of V II)	LIBERAL diminution ECUMENICAL diminution RE-DEFINITION	{ A Church and KINGDOM B Church and WORLD C Church and RELIGIONS D Church and COMMUNION	Church reduced to "sacrament" Liberation from Old Christendom New Christendom to Antichrist Catholics Non-Catholics Non-Christians Non-religions Newpriesthood Newmediation DIALOGUE	The Church is no more universal, merely the "sacrament" of God's invisible Kingdom. Henceforth politics are out from under their medieval subordination to the Church, being merely purified but not sacralised by a Newchurch preparing the Antichrist. Catholics are "subsistently" the Church, but all Christians have "elements" of it while non-Christian religions have "traces" and even the world by UN will imitate UR. Henceforth the whole People of God have a ministry to the whole of mankind, above all by talking & listening to all men.
	IV NEWRELIGION (= Building of V II)	NEW ACCESS to a NEW MASS of a NEW LORD makes a	A NEWTRADITION B NEWCULT C NEWCHRIST	Principle Applications Paschal Mystery Glory to Man Perfect Man Imperfect God	All knowledge being subjective, then Faith, Revelation, Tradition, etc, must all be re-cast. Forget the Cross and medieval grievery because God is all luv, luv, luv to man! Jesus himself is man revealing man to man, and just maybe he is not quite God.
		NEW RELIGION D RELIGION of MAN	Dignity of Man Mystery of Iniquity	In brief, it is MAN who is God! In brief, V II is Satanic idolatry!
